Northern Group Annual General Meeting, Ordinary Meeting and Dinner

Hosted by Northern Group

Members and their guests are invited to attend the Northern Group Annual General Meeting and Ordinary Meeting. The dinner following the meeting will include a presentation by Ian Pederson on the 2010 NSW Infrastructure Report Card.

Ian Pedersen is an accomplished strategic management planner and manager, and a structural engineer with more than thirty years experience in engineering, project and general management, business development, finance, and government and media liaison.

His broad technical experience, management skills and local knowledge of the Newcastle and Hunter region have been developed over the past 30 years in Newcastle due to his involvement in a wide and diverse range of projects.

He has had a wide range of involvement in business, community and engineering Activities. He has been acknowledged, and has an influential role, in engineering and business life within the Hunter and Australia.

Ian is a Past National President (1999–2000) of Engineers Australia, (The Institution of Engineers Australia). In 1990 he was awarded the Institution's National Professional Engineer of the Year Award for the role he played in the aftermath of the devastating 1989 Newcastle Earthquake.

Ian was the Chair of the NSW Steering Committee for the Infrastructure Report Card and sat on the Peer Committee for the National Infrastructure Report Card. Ian has been Chair of EA's (National) Honours and Awards committee and Chief of Judges for the Australian Engineering Excellence Awards since 2003. He is currently a Director & Deputy Chair of the Australian Construction Industry Forum (ACIF).
