

Technical Tour / Presentation – Teys Australia Beef Processing Plant and Ordinary Meeting

Hosted by Northern Group

Members and their Guests are invited to attend a technical tour of the Teys Australia Beef Processing Plant in Tamworth. The plant employs over 500 people from the region.

Beau Taylor, Engineering Manager of the Plant and Newcastle Division 2011 Young Professional Engineer of the Year will be our Host and give a presentation.

An Ordinary Meeting will be held after the technical tour, followed by dinner at the Tamworth Golf Club.
